FOREWORD

PRINCETON PRODUCTS ARE QUALITY PRODUCTS

We are fortunate in having an excellent assortment of stock to offer this spring.

As you know, many small ornamental items are becoming quite scarce. To assure having the stock you need for spring sales, check our list carefully and make your commitments now.

Because of the open warm winter, we have done so much outside work that we are in a better position to give you prompt service.

Demand is good and there is every indication that this will be an excellent spring for the nursery and landscape business.

EARLY PURCHASE ASSURES BETTER ASSORTMENT.

REMEMBER!

WE SPECIALIZE IN GROWING QUALITY NURSERY STOCK.

WE DO NO LANDSCAPING OR PLANTING JOBS.

WE ARE NOT YOUR COMPETITORS.

Conditions of Sale

PRICES, ETC.

The prices named in this list cancel all previous lists. They are based on current market conditions and are subject to change without notice.

Terms:

PRICES: F.O.B. NURSERY AT KINGSTON, N. J.

To those with an established record for prompt payment or with satisfactory references, we are glad to extend our regular terms of thirty days from date of invoice.

2% DISCOUNT will be allowed for payment in ten days from date of invoice.

5% DISCOUNT will be allowed for **CASH IN FULL** with the order, providing digging or delivery is scheduled for not less than 30 days from date of order.

Orders for **shipment C.O.D.** must be accompanied by a remittance for one-third of the amount to insure acceptance. These are our only terms and no salesman or representative is authorized to alter them in any way unless confirmed from the office in writing.

25% ADDITIONAL CHARGE For SPECIAL SELECTION and TAGGING in the Nursery

Reduction in personnel makes it imperative to make a charge of 25 per cent additional on our regular listed price for the special selection and marking in the nursery of extra heavy or specimen plants. We invite inspection of our material and on quantity orders will, if requested, mark an average sample to assist our diggers in the selection of the grade wanted.

CLAIMS

All sales are made with the understanding that we shall not be liable in event of crop loss, or of damage from other causes over which we have no control.

We will gladly correct any errors, but we cannot entertain any claims that are not made within ten days after receipt of the stock or are made after the stock has once been accepted. Claims should be made promptly in writing on receipt of stock.

Plants become your property upon delivery to transportation company and we cannot be responsible for loss, damage, or delay in transit.

All orders booked are based on the distinct understanding that the purchaser agrees to the condition of sales as stated above.

SCHEDULE OF B&B CHARGES

The following charges are made to cover additional cost of balling and burlapping deciduous trees and shrubs that are not listed B&B. The size of ball for most stock is in accordance with the A.A.N. "Horticultural Standards" recommendations.

These charges are based on a *carefully dug*, solid ball of earth, *laced* with rope or wire, and handled according to the best nursery practice.

TREES, SHRUBS AND SMALL TREES

Diam. of ball	Size	Estimated Weight	Each
10"	18/24"	30 lbs.....	.60
12"	2/3'	45 lbs.....	.95
13"	3/4'	60 lbs.....	1.50
15"	4/5'	75 lbs.....	2.00
16"	5/6'	100 lbs.....	2.50
18"	6/8'	150 lbs.....	3.50
21"	8/10'	225 lbs.....	5.00

Due to uncertain labor conditions, the following sizes are quoted subject to our ability to get help. In other words, we cannot guarantee to dig these sizes.

24"	2" cal.	300 lbs.....	6.75
28"	2½ cal.	750 lbs.....	9.25
32"	3" cal.	750 lbs.....	12.50
36"	3½ cal.	1150 lbs.....	18.75
40"	4" cal.	1600 lbs.....	25.00
44"	4½ cal.	2100 lbs.....	31.25
48"	5" cal.	2750 lbs.....	37.50
54"		4000 lbs.....	56.00
60"		5500 lbs.....	75.00

The above charges apply only F.O.B. NURSERY. We will be glad to estimate a delivered price based on the terms of delivery on page 3.

Ball depth will normally be not less than 60% of the diameter, and in all cases is adjusted so as to encompass a maximum of the fibrous root system of the plant.

PLATFORMS

Platforms, if required, will be charged for at the following schedule of prices based on actual cost of labor and material.

The amount so charged will be rebated, providing customers return platforms at their own expense.

Platform size	Usual Ball Size	Charge
24" Sq.	30" to 36".....	\$2.00
28" Sq.	32" to 40".....	2.25
30" Sq.	36" to 44".....	2.50
32" Sq.	40" to 48".....	3.00
36" Sq.	48" to 54".....	3.75
40" Sq.	54" to 60".....	5.00

Packing charges are at cost and represent the actual cost of the material used in the operation. No charge will be made for loading bulk truck or car lots.

DELIVERY SERVICE

DELIVERY CHARGES ARE NET AND DUE WHEN STOCK IS DELIVERED.

DELIVERING AGENT OR DRIVER WILL COLLECT THIS CHARGE WHEN DELIVERY IS MADE.

We cannot guarantee to make deliveries, but will be glad to estimate the delivery cost and to arrange for trucking of your orders contingent on our ability at the time to use our own equipment or hire trucking.

"CARLOADS" AND FREIGHT SHIPMENT

Whenever it is practical we recommend rail shipment by freight or express.

With our own railroad siding connecting with the main line of the Pennsylvania Railroad and a daily pickup service on L.C.L. and express shipments, we are in a position to expedite shipment to you without delay. Consult your local agent for rates to Monmouth Junction, N. J.

GUARANTEE OF GENUINENESS

We will send out healthy, thrifty stock, true to name. If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness, on proper proof, to replace free of charge such stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said stock.

COME TO SEE US

If you come by rail, use Pennsylvania Railroad and get off at Princeton Junction. Call Princeton 1776. We will send a car for you.

If you come by automobile our nurseries are on U. S. Highway No. 1, about ten miles northeast from Trenton. Watch for our signs.

NOTES IN EXPLANATION OF CATALOGUE

The figures following each variety indicate in feet the approximate height of that plant at maturity. Ample allowance has been made for the many physical factors that tend to modify the growth of plants in cultivation.

The botanical and common names are largely taken from the 1924 edition of "Standardized Plant Names." Changes in nomenclature according to the revised "Second Edition," which have not become generally familiar to the trade, are shown in parenthesis and cross-indexed for reference.

Our standard of grading all plants is based on a schedule which has been adopted by the American Association of Nurserymen.

To facilitate the handling of orders and to enable us to render you quicker and better service we desire where possible, especially in deciduous material, that orders be made in multiples of 10. Many varieties are tied in 10's when graded. Your cooperation will be appreciated.
